4+ years in 3D & VFX

5 studios

100+ projects

1st place · UART Media Fest

Profile

Hi, I'm Maksim — a motion designer and 3D/VFX artist. For more than four years I've been turning brand ideas into spectacular frames, from the first scene sketch to the final render. Modelling, light, particles, animation and editing: everything a film needs to look expensive and work for the result.

Experience

Feb 2025 — now	**Planetarium Noosphere** Motion designer / VFX artist	1 yr 8 mos
Aug 2024 — Feb 2025	**Nova LLC** VFX artist	6 mos
Feb 2024 — Jul 2024	**Clandai** VFX artist	6 mos
Jan 2023 — Jan 2024	**Lumenstory** 3D artist	1 yr
2021 — 2022	**Freelance** 3D modeller, graphic designer	1 yr
